

Sr.No.	Name of Group	Name of Trade	Eligible Degree/Diploma/Certificate
1	Garments	Sewing Technology	Academic: 10th class pass or its equivalent and Technical: Degree in Costume Design/Dress Making/Computer aided Costume Design and Dress Making/Apparel/Fashion Technology/Fashion Design with one year post qualification experience. Or Three year Diploma in following discipline: Costume Design and Dress Making/Computer aided Costume Design and Dress Making/Apparel/Fashion Technology/Fashion Design with two years post qualification experience. Or NTC/NAC in the same or relevant trade with three years post qualification experience.
2	Automobile	Mechanic (Diesel)	Should possess valid HMV driving licence and Academic: 10th class pass or its equivalent and Technical: Degree in Automobile Engineering/Mechanical Engineering(With Specialisation in Automobile) with one year post qualification experience. Or Three year Diploma in following discipline: Degree in Automobile Engineering/Mechanical Engineering(With Specialisation in Automobile)with two years post qualification experience. Or NTC/NAC in the same or relevant trade with three years post qualification experience.
3	Mechanical	Fitter	Academic: 10th class pass or its equivalent and Technical: Degree in Mechanical Engineering/Production Engineering with one year post qualification experience. Or Three year Diploma in Mechanical Engineering with two years post qualification experience. Or NTC/NAC in the same or relevant trade with three years post qualification experience.
4	Chemical	Attendant Operator (Chemical Plant)	Academic: 10th class pass or its equivalent and Technical: Degree in Chemical Engg. with one year post qualification experience. Or Three year Diploma in following discipline: Chemical Engg. with two years post qualification experience. Or NTC/NAC in the same or relevant trade with three years post qualification experience.
5	Electrical	Electrician, Wireman	Academic: 10th class pass or its equivalent and Technical: Degree in Electrical Engg./Electrical and Electronics Engg. with one year post qualification experience. Or Three year Diploma in following discipline: Electrical Engg./Electrical and Electronics Engg. with two years post qualification experience. Or NTC/NAC in the same or relevant trade with three years post qualification experience.

Sr.No.	Name of Group	Name of Trade	Eligible Degree/Diploma/Certificate
6	Electronics	Electronics Mechanic	Academic: 10th class pass or its equivalent and Technical: Degree in Electronics Engg./Electronics and Communication Engg./Electronics and Telecommunication Engg. with one year post qualification experience. Or Three year Diploma in following discipline: Electronics Engg./Electronics and Communication Engg./Electronics and Telecommunication Engg. with two years post qualification experience. Or NTC/NAC in the same or relevant trade with three years post qualification experience.
7	Computer	COPA, Computer Hardware & Networking Maintenance	Academic: 10th class pass or its equivalent and 1. Degree in computer Engineering/Computer Technology/Computer Science Engineering/ Information Technology 2. MSc (Information Technology)/ Msc (Computer Application and Information Technology)/ Msc (Computer Science) 3. Master of Computer Application (MCA) from recognized University or NIELIT A Level with 1 year working post qualification experience. or Pass in BCA/Bsc. Computer Science/IT or NIELIT B Level /DoEACC A Level from recognized University With 2 years working post qualification experience. or Three year Diploma in computer Engineering/Technology/Science from recognized board or institution with Two years working post qualification experience. or NTC/NAC in COPA with three year post qualification experience.
8	Workshop Calculation Science and Engineering Drawing	Workshop Calculation Science and Engineering Drawing	Academic: 10th standard Examination under 10+2 Pattern of Education and Technical: Passed Degree or Three year Diploma in appropriate Branch of Engineering
9	Motor Driving School	Motor Driving School	Ex-Service Man Having Valid Driving Licence (First Preference will be given to Ex-Service Man) Or Technical: Degree in Mechanical Engineering Having Valid Driving Licence Or Three year Diploma in Mechanical Engineering Having Valid Driving Licence Or Motor Mechanic Certificate Course from Regenerated Institute Under Technical Education Board Having Valid Driving Licence With Minimum Five Years Experience Or 10th Pass Having Valid Driving Licence With Minimum Five Years Experience
